

Wheelchair Basketball Canada (WBC) – Women National Team Selection Process

- ☐ 2024 IWBF Paralympic Qualifier
- ☐ 2024 Paris Paralympic Games

1. Introduction

The purpose of this document is to outline the process for Wheelchair Basketball Canada (WBC) to select athletes to represent Canada at the following major events:

- ☐ 2024 IWBF Paralympic Qualifier

The goal of the Women's program is to assemble the best possible teams to perform and have development for the future in mind for the 2024 Paris Paralympic Games.

No more than 12 players will be selected to the National Team for the above major events.

2. Timing

The athletes selected to the National Team will be made known to the national team pool athletes no later than the dates listed below known at the event selection dates. The National Team athletes will be formally announced to the public on/or after the appeal period (14 days) has passed.

2024 IWBF Paralympic Qualifier

- ☐ Selection Date – February 26th, 2024

2024 Paris Paralympic Games August 28 to September 8, 2024

- ☐ Selection Date – June TBD, 2024 updated after Paralympic Qualification

3. Decision making process

The final recommendation for selection to the National Team is made by the Senior Men's Head Coach, in consultation with the High Performance Director, and program Coaches.

The information used to determine the selections will be an ongoing process from the time of the identification of the national team pool athletes up to the Selection date for the selected events. Identified national team pool athletes will be measured against the selection criteria at National team training camps, elite competitions, decentralized training environment (training reporting), and training at the National Training Centre.

NB: Being nominated for a Senior card does not ensure that an athlete will be selected to the National Team to represent Canada at any major competition (Paralympics, World Championship, Qualification Tournament). The criteria used for carding nominations and National Team selection are similar, but their timing is different, which allows for the possibility of certain athletes to surpass others in the months between the conclusion of Carding allocation (which determines carding nominations) and the Selection date (which determines up to 12 athletes who will be named to the National Team).

4. Appeals

An athlete who wishes to appeal the decision of the Head Coach regarding their position as a member of the National Team that will represent Canada has the right to do so, by following the WBC Appeals Policy (available at www.wheelchairbasketball.ca or through the National Office). They will have 14 days from the time of the Selection date to file an appeal.
