

**Wheelchair Basketball Canada
National Championships
5v5
Technical Package 2024-2025**

These Regulations govern 5v5 competition at the Wheelchair Basketball Canada National Championships for the season of 1st September 2024 to 31st August 2025. These Regulations are the only Regulations specified and no other publication is applicable apart from the official IWBFF Rules and Interpretations.

In writing these Regulations, we have tried to ensure that the result of any wheelchair basketball match is decided on the court and within the spirit of the game.

Appendix A

- Players may request to play for another team if one or more of the criteria in Appendix A are met:
 - The player wishes to play for multiple teams (only if there are two divisions)
 - The player's province or club is not participating in the tournament
 - The player's province or club is participating in a division that is above or below the player's abilities
 - The player does not make the roster for their province.
- If one or more of the criteria above are met, the player can submit a request to Wheelchair Basketball Canada to be assigned to another team. The player can indicate their preference for assignment, however the player assignment process will be based on the following criteria:
 - The player's current level of development
 - Experience (National Team, Development Team, NWBA/International experience, number of CWBL events attended)
 - Classification of player
 - New player status
 - The team need of the teams in the requested division
 - Rosters of teams
 - Classification need of teams
 - New player status
 - Player and team preference
 - Player request
 - Team request
 - Additional Considerations
 - Would the player's addition allow an Open Division team to play in Division 1
- This process will incorporate the team head coaches in order to find a developmentally appropriate and suitable fit for the player.
